

HE6

36" SQUARE ELECTRIC FIREPLACE

A modern living room scene featuring a fireplace with a glowing fire. The fireplace is surrounded by dark, textured tiles. In the foreground, there is a light-colored chair with a dark frame and a stack of white towels. A potted plant with large green leaves is visible on the right side of the frame.

REPLACE AN EXISTING FIREPLACE

Want to replace your existing fireplace? The Valor HE6 makes it easy to replace a large existing fireplace with an enjoyable, realistic-looking, easy to use electric fireplace.

RENOVATE OR BUILD ANEW

Renovating a space or building anew? The HE6 is perfect when you want to install a new fireplace where one does not currently exist, or when you renovate an old one.

FIND OUT MORE
ABOUT THE HE6:

EASY TO INSTALL

Every HE6 fireplace installs easily—its shape is similar to our well-tested gas fireplaces. Except you don't need to worry about heat damage or venting.

SIMPLE TO USE

With a touch of your remote or WiFi app, you can turn on and adjust the fire, flames and fire bed hues—no chopping wood or yearly maintenance necessary. valorfireplaces.com/he6

LOGS + LCD SCREEN

CLEAN INSTALL KIT HE6CIK
GLOWING TRADITIONAL LOGS HE6GLSK

Valor's logs are expertly crafted for a realistic appearance, exclusive to North America.

Glowing, ember-lit logs create a warm, realistic-looking fire with natural depth and subtle movement. The black LCD panel gives depth and realism to the flames and logs.

Adjustable LED lighting in the fire bed and logs lets you fine-tune the glow to match your space and mood.
